CHILD EVANGELISM FELLOWSHIP®

JULY-AUGUST 2023

Martha is a former school teacher and taught in the public schools of Chillicothe Ohio. She joined the CEF team of volunteers at our very first Good News Club at Tiffin Elementary in 2015, as a helper. Martha continued to be a helper as we added more schools.

When Tabernacle Baptist Church adopted Tiffin Elementary, and had a team of volunteers, Martha moved to Mt. Logan Elementary School, now as an assistant teacher. New schools were being built and consolidated in Chillicothe. Martha began to then teach the lessons at Allen Elementary School.

In 2020, due to Covid, Good News Clubs were closed. When we were allowed back into the schools Martha was there willing and eager to tell the boys and girls about Jesus. She is currently serving as the main teacher in the Chillicothe Intermediate School and working with

Pastor Mike Culp of the, Heritage Church of the Nazarene, that has adopted that school.

Martha is a member of the Zion Baptist church in Chillicothe. Martha also volunteers in other ministries with Child Evangelism Fellowship. She teaches the gospel message, through the Wordless Book, in the Good News Caboose, at fairs, and festivals, in the area. She also volunteers with the 5-Day Club ministry in the public housing complexes. Big hats off to CEF Volunteer Martha Woodfork.
