CHRISTIAN YOUTH IN ACTION

Christian Youth In Action® (CYIA™) is a program designed to train young people ages 12-18 in effective and engaging ways to teach children about God. CYIA™ is a one week training school at Mount Vernon University, June 11-17. Here they will learn to present the Gospel clearly on a child's level, counsel a child for salvation, and lead a dynamic club ministry for kids. Components of this club include teaching a Bible lesson, a real-life missionary story, and a Bible verse. They will also lead songs, games, and a fun review time. After this training, they will return to their local community to teach clubs at various locations with a team of other young people. These clubs take place out in the community with predominantly unsaved kids who don't regularly attend church. You will be able to take the light of the Gospel to them in their apartment complexes, day care centers, neighborhoods, schools, and other community locations. They will teach clubs from one to five weeks during the summer.
