Reaching Children Worldwide

# South Central Chapter

June 2024

## Children Need to Hear the Word of God!

A wonderful opportunity became available to us though another Supreme Court decision in 2001 that allows us to go into the public schools and share the Gospel of Jesus Christ with boys and girls.

Child Evangelism Fellowship® (CEF) works with local Bible believing churches to reach boys and girls for Jesus by partnering with them to go into the public schools and hold Good News Clubs® in the elementary grades.

CEF® trains and equips volunteers from the local church to present the gospel to the boys and girls and disciple them into their church for Christian living.

The South Central Chapter covers 10 counties in south central Ohio where there are many opportunities to share Jesus with the children. Your church in any of these counties can Adopt-A-School that has been approved by the local school district in your area and host the CEF Good News Club® program. You can evangelize, disciple and introduce children (maybe even an entire family) to

your church. CEF provides teaching materials, training, follow-up help and materials, legal aid and liability insurance.

The financial policy of Child Evangelism Fellowship® is

*“Ask God and tell His people”*

CEF of Ohio Inc. South Central Chapter is a nonprofit organization exempt under section 501c(3) of the Internal Revenue Code and contributions are deductible to the extent allowed by law.

The goal to reach children in all 10 counties of the chapter will be costly. As we pray and ask God and tell His people we are confident the need will be met. We need 100 people to pledge \$20.00 monthly to meet our goal. Thank you for helping us reach children for Jesus. Donations can be mailed to CEF of Ohio Inc. ## Southeastern Elementary School

Southeastern Elementary School near Chillicothe, Ohio, had their first Good News Club® with 15 students enrolled. All 15 made decisions to accept Jesus as their Savior.

The club was conducted by the staff and volunteers from the South Central Chapter. We are looking for a local area church to adopt this school. Contact us if your church is interested.
